Please allow 3 business days for the application to be processed. All information will be verified. Please return this application with a clear copy of a valid photo ID. Once the application is verified, you will be contacted by an officer/employee of MCAC. ALL animals being adopted from MCAC are required to be sterilized once old/well enough. If requested and animal leaves prior to sterilization adoption is not final until completion of surgery. Failure to follow this sterilization agreement can result in impoundment. Adoption is not final until the contract is signed by the adopter and MCAC staff. No animals can be "held" without an approved application and paid adoption fee. All animals leaving MCAC are deemed healthy and should any health concerns arise with any adopted animal, the adopter shall seek vet care for the animal as the new owner and responsible caretaker(unless sooner than 2 weeks after adoption). Animals cannot be exchanged and adoption fees are nonrefundable. By signing below you agree to the terms of this adoption application and to keep the adopted animal free from abuse, neglect or abandonment.
