

2023 QBS
Request for Statement of Interest (SOI)
Phase III Extension of the Sangamon Valley Trail
from Irwin Bridge Rd to Ethel Ave
Section Number 18-00068-00-BT

Menard County Highway Department is seeking professional services from a qualified engineering firm to provide Phase II Preliminary Engineering and Phase III Construction Engineering services to complete the design and construction of the Phase III Sangamon Valley Trail Extension. This extension begins at the termination of the Phase II Extension in Sangamon County at Irwin Bridge Road and extends northward to Ethel Avenue along an abandoned railroad bed. A new trailhead is to be constructed at the new northern termination and Ethel Avenue.

Engineering and construction will utilize state and local funding through a recent ITEP award. Phase II engineering will start as soon as possible. The County anticipates a letting for construction to take place in 2024.

If you plan to enter into a joint venture with another firm for this project, please note this on your SOI, including the name of the firm you are entering into a joint venture with.

The SOI should be submitted electronically (PDF format), no later than 3:00 p.m. on May 9, 2023 addressed to Corey Dowd, County Engineer at menardhwy1@sbcglobal.net. Short-listed firms will be posted at <http://www.menardcountyl.com/departments/highway-department/>.

For more information regarding the 2-page SOI, such as content and format, please reference the QBS document found on the Menard County Highway Department web site. Any questions on the project may be emailed to Corey Dowd at menardhwy1@sbcglobal.net.

Any SOI received after the above noted deadline will not be used as part of our consultant selection process.
